Mr. G. Robert Blakey  
Chief Counsel and Director  
Select Committee on Assassinations  
House of Representatives  
Washington, D. C. 20515

Dear Mr. Blakey:

Regarding the HSCA request letter of 10 July 1978 we have made every effort to secure the desired information. Unfortunately, however, your letter gives insufficient data to enable us to identify the three individuals with certainty so that we can obtain the information you require.

According to our records, two of your staff members (Ms. Margo Jackson and Ms. Beth Anne Lichtenfels) reviewed the seven-volume file from which these names were taken. If these staff members can single out the specific documents from which the names were taken, or otherwise refine their requirement, we can then conduct further research in an effort to respond to your request.

Very truly yours,
